2019 – New Applications/Re-enrolment - Reviewed

Dear Prospective/Current Parents

Welcome to all prospective parents. The aim of our school is to educate and nurture all children. Our language of instruction is English. The classes are small to facilitate a quiet and orderly learning environment. Our teachers have been hand-selected for their competence, hard work, and acceptance of the challenge in the education of our children. Our Education is not only limited to the curriculum, but is expanded to incorporate a broader spectrum of knowledge and skills.

In this newsletter we hope to answer your expected questions regarding our school. Any further questions can be addressed to Mrs Nieuwenhuizen, Mrs Aldridge, Mrs Kanagan, Ms Motloung and Mrs Van Der Spuy, who are currently in the office. Feel free to phone us or speak to us personally during the mornings.
