

## **SCHOOL FEES**

School fees play an integral role in the day to day running of a school. These fees are set annually by the Governing Body. The TOTAL amount is due at the beginning of the year. However, arrangements for 10 monthly payments can be made with the schools Bursar. The final installment is due on or before the 5 October each year. Should a parent default on the monthly payment, the balance owing is then handed over for DEBT COLLECTION.
