

## SCHOOL FEES

All new learners are expected to have their school fees for the term paid in full before they are registered in any class of our school. Old learners can attend a maximum of the first seven school days of the term before their school fees for the term is paid. However, no learner will receive any stationery before their school fees for the first term is paid in full.

All school fees payments shall be deposited in **cash** by the parents into the school's account. **The second child of the same parents will receive a R100-00 discount from school fees every term while the third child will receive a R200-00 discount. The fourth and all the other children will pay the same amount of school fees paid by the third child.**

## EXCHANGE PROGRAMME

The school has an exchange programme with two schools in Australia and Canada. Every year we send learners to Swan Christian College and Surrey Christian School in Australia and Canada respectively. Selection of such learners is based on their performance in essay-writing and interviews as well as their parents' participation in the school programmes.

The learners who participate in this programme enjoy experiencing different cultures as well as education setup of other countries. We also host learners and educators from the two schools. The learners in the exchange programme spend one term away from the school. The parents are however responsible for paying for plane tickets.

## QUALITY ASSUARANCE

The school is fully registered with Umalusi and therefore quality is assured as it is a requirement for a school to gain accreditation with Umalusi. The school was evaluated by Umalusi and was found to be compliant with Umalusi requirements.
